

DRESS CODE FOR STUDENTS

Years 7 - 11

Students wear our uniform with pride. It is smart but practical and reflects all of our aspirations for our academy.

To prevent uniform getting lost, please make sure that each item is named using an iron-on, stick-on or sewn-in label, or by using a permanent naming pen.

Students are expected to be of smart and sensible appearance. Individual fashion statements such as extreme hair styles or colours, designer shirts, trainers and decorated footwear are not permitted. Trim lines or other shaved shapes in the hair and 'barcodes' in eyebrows are not permitted. Extreme hairstyles are not allowed, this includes mohican haircuts. Tinted or cosmetic contact lenses and decorative dental wear are not permitted.

No bandanas, durags, hoods, caps or hats should be worn at any time and will be confiscated if worn in the academy. Small, neutral coloured hair bands are allowed. Headscarves worn for religious or cultural reasons should be plain black or navy with no studs, sequins or other decoration. No false eyelashes are allowed.

Students are permitted to wear one pair of small stud earrings (one in each lobe) and a watch, which can be handed to a teacher during PE. Tongue, Eye and Nose studs or rings are not permitted. The Sir Geoffrey Leigh Academy is not responsible for the loss of any jewellery. Necklaces and bracelets are not permitted; however, an exception may be made for religious chains provided they are discreetly worn under the shirt and should be agreed with your child's college. Rings and false nails (eg coloured acrylic/gel/or others) are not permitted. Clear nail polish is allowed. The Sir Geoffrey Leigh Academy is not responsible for the loss of any jewellery.

Students must have a bag that is capable of holding an A4 folder, PE kit and a Chromebook.

If families would benefit from financial assistance we do have some funding available for uniforms so please do contact your child's college team if required.

Failure to follow the academy uniform expectations may result in your child working in their college area or in the reflection room until the appropriate adjustments have been made.

By requiring students to wear the academy uniform, it is intended to develop their sense of loyalty to the community of which they are members, and to encourage them to take pride in their appearance. Students are expected to wear full academy uniform on the way to and from the academy.

If students are not in full uniform, they will not be able to attend lessons. They will work in their College area, until the correct uniform is brought to them or they will be sent home to change, with parental permission. If a student persistently fails to wear uniform, the normal academy procedure for student support should be followed (see academy behaviour policy).

Large amounts of money and expensive personal effects should not be brought to the academy. The academy will not accept liability for any claim arising from theft, accidental loss or damage to personal effects, money, belongings or clothing whilst on the academy premises.

Attenborough College
Post-16 Dress Code (2024-25)

Sir Geoffrey Leigh Academy works in close partnership with the local community, business and industry and as Post-16 students are required to be role-models to younger students, Post-16 students must observe the dress code at all times on site, as part of PARADE Standards.

- Tailored trousers
- Tailored skirt

BTEC Sport Students

- Trainers
- Tracksuit bottoms
- A plain T-shirt
- Either a plain sweatshirt or a plain tracksuit jacket

BTEC Performing Arts Acting Students

In all lessons, hair should be tied back and no jewelry should be worn. Students must wear the accepted industry-standard rehearsal 'uniform', which should comprise of:

- Loose black top
- Loose black trousers (so they can move easily)
- Soft black shoes (eg jazz shoes or trainers)

Please note: Students who must wear different clothing (such as sportswear or blacks) for a subject-specific reason are asked to bring a change of clothing in for that purpose. When outside that lesson, normal business dress must be worn, including at arrival to and departure from the academy.

If any member of staff feels that an element of a student's appearance is inappropriate, we reserve the right to address the matter. For a first infringement, a warning will be issued, with a clear reminder of Dress Code. Upon a repeat infringement, we will send a student home to amend their appearance, preceded by a phone call home from a member of the Attenborough College Team.

All students must wear their Identity Card/Attenborough College lanyard. This card must be visible around the neck at all times. This is a legal requirement, not an academy rule.
